

## SCIENTIFIC ADVISORY PANEL

### physics

Stephen Brown, Ph.D.  
R2C2 Risks of Radiation & Chemical Compounds  
Oakland, CA

### molecular biology

James Cleaver, Ph.D.  
University of California, San Francisco

### ethics/law

Carl Cranor, Ph.D.  
University of California, Riverside

### policy analysis

Shan Cretin, Ph.D., MPH  
RAND Health Program  
Santa Monica, CA

### toxicology

Michael Denison, Ph.D.  
University of California, Davis

### exposure assessment

Thomas McKone, Ph.D.  
University of California, Berkeley

### epidemiology

Hal Morgenstern, Ph.D.  
University of California, Los Angeles

### biostatistics

Charles Quesenberry, Ph.D.  
Kaiser Foundation Research Institute  
Oakland, CA

### cell biology

James Tucker, Ph.D.  
Lawrence Livermore National Laboratory

### oncology

Jan van Tornout, MD, MS  
Children's Hospital, LA-USC

### chair

Warren Winklestein, Jr., MD, MPH  
University of California, Berkeley
